6th May 2021

Dear Student/Parent/Carer

Careers Guidance after the 10th May 2021

As a Careers team we wanted to write to you personally to let you know that we are available to support you with advice and guidance over the next few weeks and months in advance of and upon receiving your results.

The Careers team will be available directly or via Zoom up until the end of the academic year. We will also be in school for results week to support you with your future options.

We have made every effort to see students over the last few weeks who have been unsure of their next stages, but if you are still requiring an appointment or believe your son/daughter needs support or if over the next few weeks you would like any support, please do email careers@bournside.gloucs.sch.uk and we can call or email you as appropriate.

We also wanted to give you contact details for the local colleges, traineeship, supported internship and apprenticeship training providers, in case you need to contact them over the summer. If you are still looking to apply for college there are still places available.

If you have applied to a sixth form, you will hopefully have received information from them, however if you are uncertain about your place please contact them directly.

We hope this information helps. Do please contact us if you need any more information or advice.

Yours sincerely

Karen Heppleston
Careers Lead

Empowering lives through learning

Contact Details

If you are looking to apply for an apprenticeship – use the following websites to search for vacancies, as well as SWAC and GET – information above.

Use Unifrog – login via your school. If you have forgotten your password, click on the forgotten password and it will take you to the right area.

<https://www.unifrog.org/sign-in>

You could also use one of the following sites to have a look at your chosen area – but remember they will slowly come online over the next few months.
