

Uniform and Equipment Guidance

Our uniform gives our school its identity and we expect our students to wear it with pride at all times. Additional information

In cases where medical reasons require a modification to the uniform and equipment expectations, notice on letterheaded paper from a medical professional must be addressed to the student's Head of House detailing the reason, and specifically stating the amendment required and the duration the amendment is needed for. The school will of course look to support any reasonable requests.

To maintain our high standards of uniform, a consistency check will take place in each morning at the start of period 1. Where uniform and equipment fail to adhere to these guidelines, a sanction will be issued in-line with our Behaviour Policy until the matter is resolved. Prohibited items of clothing will be confiscated and where possible an alternative will be provided for that school day from our pastoral support team to allow a student to access their lessons. Refusal to remove prohibited items will result in a level 3 sanction. See our Behaviour Policy.

These expectations should be read in conjunction with the School Behaviour Policy 2021-22. Please see Appendix 1 to further support you when purchasing school uniform and equipment. With respect to make up, jewellery, and hair styles Bournside reserves the right to decide what is discreet and appropriate for the school environment.
