### Reminder – Year 8 Girls & Boys HPV Immunisation on Monday 29<sup>th</sup> March

If you have not done so already, please send you Son/Daughter to school with their completed consent form on Monday.

### Positive Lateral Flow Test Result

Can we please ask that if your child has a positive lateral flow test that you notify the school immediately at any time of the day via email at [covidtesting@bournside.gloucs.sch.uk](mailto:covidtesting@bournside.gloucs.sch.uk). This will enable us to notify close contacts who are required to self-isolate as quickly as possible.

Please see the following Government guideline message:

“As schools return to full attendance, we understand parents’ frustration when their child is asked to isolate at home either after testing positive for coronavirus (COVID-19), or because of being in close contact of someone who has tested positive.

However self-isolation is one of the most important things we can do to help stop the spread of the virus and help protect our friends, family and our community. Around one in three people with coronavirus (COVID-19) have no symptoms, and so finding and isolating these hidden cases quickly will help to stop outbreaks before they get a chance to develop.

Lateral flow device tests are at least 99.9% specific, meaning the likelihood of a false positive is extremely low – less than 1 in every 1,000. PCR testing will always carry a risk of producing false negatives

Once your child starts testing at home using lateral flow tests, positive results must be followed up with a confirmatory PCR test (as these tests are not conducted in a controlled environment)”.

If you have any queries, please also email covidtesting@bournside.gloucs.sch.uk or refer to the government website for self-test demonstration videos and translated instructions.

#### **Face masks**

Students will be expected to always wear a facemask when indoors on our school site, unless they are exempt, in which case, they must wear their exemption lanyard clearly. This includes during lessons.

Student who have attended school for their lateral flow test have been given a Bournside branded facemask; they are expected to bring this or a similar mask with them to school

every day. Face masks worn at school should be re-usable. Students who arrive at school without a facemask will be expected to purchase one for £2.

### **Channel 4 Programme - Junior Bake Off Opportunity**

We are delighted to say that the producers of Junior Bake Off have contacted the school asking us to promote the chance for students to apply for the 7th series of Junior Bake Off; a Channel 4 programme that celebrates the culinary talent and ambition of the younger generation in Britain.

They are looking for young budding bakers between 9 -15 years old.

Filming would take place from July 2021, but applications close on Sunday 28th March 2021

If you are interested in applying, then you can find out more using the link below:
