

# Clubs Fair 2023

**CHELTENHAM  
BOURNSIDE  
SCHOOL**

# School Clubs

At Cheltenham Bournside School we aim to provide the biggest, brightest and best extra-curricular club offer in the county. From our extensive sports, arts and music offer, to chess, debate, languages, maths, robotics, science and more, we're confident that every student at Cheltenham Bournside School can find a Club they enjoy. New clubs include Languages Film Club, Climate Club and our Community Gardening Club.

New Year 7s, tell us which clubs you would like to join in September here:

## School Clubs

**Art Club KS3:** The time and space to work on personal art projects in our Art studios.

**Board Game Club:** Hang out and enjoy board games and card games with new friends, every Wednesday after school in the Library.

**Chess Club:** Chess has so much to offer students in terms of intellectual and creative development. Learn a new skill or improve your game in a friendly, informal atmosphere after school on Mondays.

**Coding Club:** Come along if you're interested in computers and writing code. Whether you're a beginner or you've already got some programming experience, come to G25 after school every Wednesday and learn to code using KODU, Scratch or even Python!

**Community Gardening Club:** Our Club maintains the Bournside Community Garden within Hatherley Park. Every Thursday after school, we plan and plant new flowers, weed, deadhead and prune to look after the space. A fantastic way to give something back to your local community!

**Debate Club:** Should we abolish the monarchy? Do you believe parents should be punished for the crimes their children commit? In debate club you will have the opportunity to argue, defend and form your argument on these important questions. Make your voice heard.

**EAL Social Club:** Do you speak a different language outside of school? Come to EAL Social Club and meet other students who are learning English. Together we will learn about British culture and traditions, explore English phrases and expand our English vocabulary.

**Eco Club:** Let's grow together! We plant vegetables/flowers, maintain the school garden, look at wildlife, build bird boxes and more. Eco club runs every Thursday in The Science Quad.

# Music and Performing

## Arts Clubs

**History of Art Club:** Learn, research and share ideas on how the greatest paintings, sculpture and architecture have influenced the world we live in. Open to KS4/5 and keen KS3 students.

**Homework Club:** Do your homework in a supportive environment BEFORE you leave school, so you have free time at home. Monday - Friday, 3.15-4.00pm in the Library.

**Languages Film Club:** Come along with your friends to watch and chat about films from all around the world with the occasional cinema snack! All with English subtitles, we'll vote to watch our next film including everything from the Spanish Encanto to the Japanese Spirited Away.

**Puzzle Club:** What is the first number that when spelled out has its letters in alphabetical order? How many prime numbers are between 100 and 200? What do you get when you multiply all the numbers on a phone keypad? Exercise your brain! Solve puzzles and Maths-related challenges...Or just come along to complete your Maths homework!

**Robotics Club:** Use our Lego Mindstorms kits to build robots and then learn to program them using a 'drag and drop' visual programming environment (like Scratch) on the computers. The club will give you a fantastic opportunity to work in teams, make new friends with other students, learn how to code and develop your problem-solving skills.

**Science Club:** Explore and enjoy the fun side of science, where we have the time to experience practicals and experiments you might not get in lessons.

**We love Literature and Poetry Club:** Come and explore everything Literature! Read, discuss and share novels, poems and short stories.

## Music and Performing Arts Clubs

**Drama Club:** If you like performing and want to challenge yourself as a performer through improvisation and script work, why not try Drama Club? Everyone welcome!

**School production:** Be part of our next musical! Recent productions have included Joseph and the Technicolour Dreamcoat and Sister Act. Audition for a main role, the chorus or backstage team. Rehearsals will be twice a week after school.

**Music clubs:** Come and join one of the school music clubs. We offer a wide variety of opportunities to make music with your friends and to meet new people. Our clubs are open to everyone, whatever standard of musician you are!

- **Youth Choir** - Singing pop and musicals songs
- **Folk band** - Any instrument
- **Guitar group** - Guitar or bass
- **Jazz band** - Clarinet, Saxophone, Flute, Trumpet, Trombone, Horn, Guitar, Drums, Bass Guitar
- **Orchestra** - Violin, Cello, Double Bass, Flute, Clarinet, Oboe, Trumpet, Trombone, Horn, Percussion

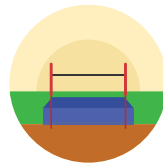

# Sport and Physical Activity Clubs

## Sport Clubs

In PE we have a range of clubs that are both competitive and recreational, as well as a wide range of activities which you can take part in. Team games, racket sports, dance and striking and fielding sports are all available. In competitive sports, we not only have friendlies but enter the district leagues, County set-ups and National tournaments in selected sports. There is something for everyone in PE and it is a great place to try new a sport, make new friends and build relationships within your year group.

- Athletics
- Badminton
- Cricket
- Dance
- Football (Boys and Girls)
- Hockey
- Netball
- Rounders
- Rugby (Boys and Girls)
- Tennis

**"We are pleased to be able to offer a vast and ever growing range of extra-curricular clubs, trips and activities at Cheltenham Bournside School. High quality opportunities are available across many areas, including art, music, drama, sport and travel."**

**- Mr Jefferies**

**Empowering lives through learning**

We are: Ambitious, Curious, Proud, Purposeful, Respectful and Supportive
